Dear Bob, Dick, and Bill -

At the June 6 th meeting of the WPNS it was proposed that the Society sponsor a project of Western Pennsylvania Numismatica. It was suggested that the project is feasible over a period of time and would be a very worthwhile contribution to numismatics as well as to individual members of the Society.

The wealth of material available in private collections, the papers which have been presented to the Society, specialized literature which has been published, the availability of the Carnegie Museum collections, and the abundance of (perishable) knowledge of society members would appear to be compelling reasons why the project should be undertaken without delay.

On the other hand there are problems of determining the direction of approach, preparing definitions, marshalling the information, stimulating members to find the time to work up and provide their contributions, finding the appropriate member or members to coordinate the effort, and the final monumental editing job.

As you know I appointed a special committee to evaluate the proposal and recommend to the society at the next meeting (July 11):

- a. Whether the proposal has sufficient merit to warrant further action at this time and, if so ...
- b. What that action should be and when.

You, Bob, graciously accepted chairmanship of that committee and Dick agreed to serve with you. I have since talked with Bill and he too has agreed to serve. I have taken the liberty of addressing this letter to all three of you to be sure that the matter is not forgotten and to offer for your consideration some thoughts on the subject.

If the committee looks favorably on the idea one method of approach would be to consider performing the task one piece at a time. Start with tokens for example. Finish it, publish it, and then take up coins or medals or whatever the next item might be. If this method is followed I'm afraid we would lose the interest of those members not primarily concerned with the subject at hand. There is also the difficulty of standardization and in the end, over all cohesiveness.

Another approach would be to tackle the entire project at once but subdivide the effort to distribute the work and provide for simultaneous contribution of knowledge to all subjects. One such plan might be as follows:

Coins in Western Pa.- Colonial and Counterstamped. Ray Byrne.

Tokens of Western Pa. - Transportation	Harry Bartley
- Parking	--
- Hard Time	Bill Woodside
- Civil War Patriotic	--
- Store Cards	--
- Trade Tokens	--

Advertising Pieces	John Knabenschuh
--------------------	------------------

Exhibition Pieces of Western Pa.	Dick Foley
----------------------------------	------------

Political Items of Western Pa.	--
--------------------------------	----

Wooden Nickels	--
----------------	----

Paper Money of the area	Bob Glose
-------------------------	-----------

Medals and Decorations	Bob Hudson
------------------------	------------

Coal Mine tokens and script	Ferd Wise
-----------------------------	-----------

Exnumisma - Odd and Curious	Bill Ross
-----------------------------	-----------

Bibliography	Bill Hunter
--------------	-------------

Another area for the committee to consider would be the "how" of doing it. Several committees might be formed along these lines:

Definitions (What area is covered by Western Pennsylvania?)
(What material should be catalogued?)

Standards (Should all material be reported in a standard manner?)
(Should a form or forms be furnished?)
(In what order should description details flow?)

Photography (Which pieces should be selected?)
(Who will provide the photographs?)

Editing (Typing and reproduction of manuscript)

As far as incidental costs are concerned I know of no better way to use the meager funds of the society. I don't think there would be much cost in terms of money if enough members become

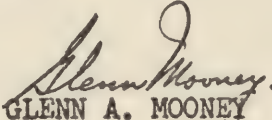

sufficiently interested to actively participate.

Timeing is another matter. A quick, shoddy production I'm sure you agree would be worse than none at all. Dragging the effort on too long would be likewise disasterous. I would hope that such a project could be completed in about a year but if more time is required by all means let's take it. It might even be an appropriate target for the society's centennial which is not too far away. In any event I would hope that we could at least get the show on the road now.

I realize that this letter has become awfully "windy" but I hope that the number and magnitude of items mentioned does not tend to convince one of the futility of the effort but rather to point out the tremendous opportunities that exist.

I appreciate your willingness to serve on the evaluation committee and I know you will give the entire matter your most serious consideration. I will look forward to your recommendations at the next meeting.

Sincerely,

GLENN A. MOONEY

MINUTES

June 6, 1967

The regular monthly meeting of the Western Pennsylvania Numismatic Society was held at the Carnegie Museum commencing at 8:06 P. M. Vice President Glenn A. Mooney presided with 15 members and three guests present.

The minutes of the previous meeting and the treasurer's report were given by John L. Knabenschuh, the Secretary-Treasurer. The minutes and report were approved as read. The Secretary then gave his report on the correspondence sent and received in the past month.

The nominating committee consisting of Messrs. Raymond A. Byrne, Chairman, Richard T. Foley, and Dr. Robert J. Hudson, submitted their recommendations of candidates for officers of our society for the year 1967-68. The recommended slate of officers was: President, Mr. Glenn A. Mooney; Vice-President, Mr. John A. Knabenschuh; Secretary-Treasurer, Mr. David L. Davis; Curator, Mr. William A. Hunter. Mr. Mooney then asked for further nominations from the floor. Since no additional nominations were made, the nominations were closed. A unanimous ballot was cast for the slate of officers as proposed. New President Mr. Glenn A. Mooney gave a short acceptance speech. An ovation was given by those present to the previous officers for their well-done work.

Mr. Mooney then proposed that our society should undertake some type of effort to gather and catalogue the numismatics of our area, Western Pennsylvania. This could take the form of a history, a catalogue of numismatics, or a paper. President Mr. Mooney then appointed a committee consisting of Dr. Robert J. Hudson, Richard T. Foley, and Mr. William W. Woodside to investigate the possibilities of this proposal.

The question of publishing papers presented in our society also came up. The appointed committee was also given the assignment of looking into this. A resolution was moved, seconded, and passed, that the signatures of the new President and Secretary-Treasurer replace those of the retiring officers on all society bank business.

The written report to be given by the ex-president was set aside as deferred business.

The membership committee's chairman, Dr. Robert J. Hudson, gave its endorsement to the application for membership of Mr. Ferdinand R. Wise and Mr. Clarence William Turner. The time for election to membership in the Society was set for the July meeting.

Minutes

February 7, 1967

The regular meeting of the Western Pennsylvania Numismatic Society was held at the Carnegie Museum commencing at 8:30 p.m. Vice-President Glenn A. Mooney presided with twelve members and no guests present.

The Minutes of the previous meeting and Treasurer's Report were accepted as read.

Mr. Mooney, Chairman of the Medallion Committee, reported that the 10 award medallions had been received. The price of the engraving was more than the Committee had expected and Mr. Mooney asked for the Society's approval of the actions which had been taken. After a short discussion, the membership approved the Committee's actions and directed the Treasurer to pay the Medallion Art Co. bills in the amount of \$80.10.

Mr. Nelson, Chairman of the Publicity Committee, read a letter he had received from Mr. Eric P. Newman in response to the publicity release and photographs that Mr. Nelson had forwarded to him.

The Secretary reported on correspondence received and sent during the past month; and read a letter from Mr. Eric P. Newman thanking the Society for the ANA Educational Award and the engraved medallion which had been sent to him.

As a result of a letter request that the Society second the nomination of an individual for the ANA Board of Governors, it was unanimously voted that no seconding nominations would be made by the Society for any candidate for the Board.

Under deferred business, the Treasurer reported that he had contacted the Manager of the Wilmerding Branch of the Mellon Bank concerning the status of the Society's checking account. Mellon Bank has stated that the Society would most certainly be subject to a service charge if the minimum balance went below \$400. Further, the Treasurer reported that he had received a notice with this month's checking account statement that the Society's account, which had a minimum balance of \$433.88, and an activity of one deposit and one check drawn; was in fact subject to a service charge for the month of January.

As a result of the above, the Treasurer repeated his recommendations made at the December 6, 1966 meeting that a portion of the Society's funds be placed in a Second Federal Savings and Loan Assn. savings account and the remainder in a checking account with the Union National Bank.

After considerable discussion, the Treasurer was authorized to open such accounts as he deemed proper, for the Society's funds.

The Secretary recommended that five regular members, who now reside outside of the Pittsburgh area, be transferred to Corresponding Membership in accordance with Article VI of the By-Laws. After some discussion, action was deferred on this recommendation.

Upon completion of the business meeting, Mr. Richard T. Foley, Chairman of the Program Committee, introduced Mr. John A. Nelson who presented the evening's program entitled "Specific Gravity - A Useful Coin Attribute".

Upon completion of the program, the members described their individual exhibits.

The meeting was adjourned at 10:00 p.m.

The Treasurer suggested that a portion of the Society's funds, which have been dormant in a checking account with a balance of over \$400.00 for more than a year, be deposited in a Savings and Loan Association savings account. As no objection was raised the Treasurer stated that he would investigate and make recommendations at the next meeting.

The Secretary distributed a proposed Amendment to the By-Laws concerning Corresponding Members. The proposed Amendment was discussed and will be acted upon at the next meeting.

RESOLUTION

July 5, 1966

WHEREAS, after a long, useful and brilliant career as an outstanding citizen and researcher, the passing of our dear friend and associate Sidney K. Eastwood on May 19, 1966 in St. Augustine, Florida at the age of 75, brought to a close a life which has been full of worthwhile activity.

A native of Owego, New York, Mr. Eastwood came to Pittsburgh a few years after his graduation from Cornell University, and lived here until his retirement some 10 years ago. He had many hobbies, including printing, photography and bookbinding, and he formed extensive collections of stamps and books. His botanical studies led to discovery and identification of varieties of mosses not previously recorded for western Pennsylvania, and he was an accomplished painter in watercolors.

In the field of numismatics, Mr. Eastwood had broad interests, and he collected foreign coins, but his chief pleasure was in studying various series of tokens of this and other countries. He felt an obligation to pass on his knowledge to others in personal discussion and in print. Thus he came to produce "Numisma", a little magazine which he produced on his own press and gave away without charge. His curiosity about numismatic matters continued throughout his life, and as late as 1965 he produced a paper on "The Antebellum Tokens of New Orleans". He was the first research associate appointed (in 1951) to the Section of Coins and Medals of Carnegie Museum, where he worked primarily with tokens and to which he made valuable gifts of books and specimens.

The Western Pennsylvania Numismatic Society will be the poorer for the loss of this dedicated member, and those of us who were privileged to know him will mourn the passing of a warm friend and coworker.

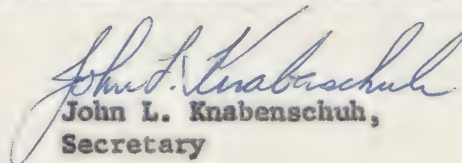

To his daughter Mrs. James MacConnell and his brother Mr. Eric K. Eastwood, we extend our most sincere sympathy, and with them, we respectfully share a very great sorrow.

While we shall miss him greatly we are most grateful for the companionship we shared with him and for the wonderful memories we have of his faithfulness, loyalty, astute wisdom, friendliness, generosity, and his willing and helpful service at all times.

THEREFORE, BE IT RESOLVED: That his name shall be placed in the annals of this society as one who has served its very best interests with fidelity and unselfish devotion.

On motion made by Mr. William W. Woodside and seconded by Mr. John L. Knabenschuh, and joined by all present at this meeting of the Western Pennsylvania Numismatic Society, it was unanimously

VOTED: "That the above Resolution be, and the same is hereby adopted, and furthermore, that it be duly inscribed in the minutes of the Western Pennsylvania Numismatic Society, and that a copy of the same be delivered to Mrs. James MacConnell and Mr. Eric K. Eastwood."

Minutes of Meeting

June 7, 1966

The regular meeting of the Western Pennsylvania Numismatic Society was called to order at 8:21 P.M. by the President, James Sloss, with 13 members in attendance.

The reading of the Secretary's and Treasurer's reports was deferred to the July meeting.

Committee Reports were received as follow:

Library- Dr. ~~Hudson~~^{Sloss}, reporting for Mr. Duane Adams indicated that the Committee had prepared 10 copies of a complete inventory of all books in the WPNS library. Dr. ~~Hudson~~^{Sloss} announced that a two-volume work entitled "Coins of the World-Ancient and Modern" covering the Henry Jencks collection had been donated by Mr. W. W. Woodside. The membership concurred that the Secretary be instructed to send a note of acceptance and appreciation to Mr. Woodside for this generous gift on his part.

Program- Dick Foley announced that the Annual Social is slated for Tuesday, August 2, 1966 for Members, wives and guests, and will duplicate the successful pattern of last year. Viewing of a "sneak" preview of a quality film at WAMO studios will be followed by a social hour in the restaurant-lounge of the PITTSBURGH PLAYHOUSE as Dutch treat guests of Ray Byrne. The annual Banquet will be at Stouffer's Restaurant in Pittsburgh on November 19th, at \$6.00 per person, speaker to be announced.

Nominating-

Mr. Glose, Chairman, presented the following slate for consideration:

President - Dr. James O. Sloss
Vice Pres.- Mr. Glenn A. Mooney
Sec-Treas.- Mr. John L. Knabenschuh
Curator- Mr. William Hunter or
Mr. Jack F. Burns

Under New Business it was moved and seconded that a unanimous ballot be cast for President, Vice Pres., SecpTreasurer, with a written ballot only for Curator. The motion was carried. Mr. William Hunter was unanimously elected to the position of Curator.

June, 1966

Committee members were requested by Chairman Sloss to serve for an additional year. Mr. Richard T. Foley requested to be relieved of his position as Chairman, Program Committee. This request is to be taken under advisement by Dr. Sloss, with a resolution by next meeting.

Mr. Foley introduced the speaker of the evening, Mr. William Hunter, who spoke on "Digs and Diggers". This talk was extremely interesting, most especially to those specializing in an animal topic. We learned that the queer-looking platypus and echidna appearing on Australia's new coinage actually do live, and we were shown mounted specimens of these scarce animals. Bill described the finds of fossilized animals in New Paris No. 4 sink hole in Bedford County, Pa., with carbon dating setting the oldest level at 12-15 thousand years ago. Finds included remains of the long nosed pecherin, a type of boar-like pig now extinct. Many interesting phases in skin or skeleton preparation were described and exhibited. A "bug box" containing thousands of insects to reduce a healthy carcass of a huge animal like the elephant to a clean skeleton in a matter of weeks was included in the unusual items of interest.

Individual displays were presented and described.

The meeting was adjourned at 10:00 P.M..

July 1965 Meeting Report

The regular monthly meeting of the WPNS was called to order by Vice Pres. Glenn Mooney at 8:05 P.M., July 6, 1965 in the Carnegie Museum, Pittsburgh. The meeting was turned over to Dr. Jim Sloss, Pres., at 8:30 P.M.. June meeting and financial reports were read by J.A. Nelson, and accepted as presented.

The August Social Committee announced that following the showing of the "sneak" preview movie at the WAMO viewing room a social hour would be held at the Pittsburgh Playhouse Lounge, as guests of Ray Byrne.

The 1964-65 financial records were given to R.L. Glose for audit by the next regular meeting.

A By-Laws committee was named; Bill Woodside, Chairman, John Knabenschuh, Phil Williams.

— It was moved and seconded that new Stationery for the 1965-1966 season be procured. The motion was carried.

The "Coinage" magazine was mentioned and exhibited as having worthwhile content.

Glenn Mooney and Jim Sloss stressed the importance of members writing to Congressmen to voice opposition to the so-called Bible Bill, which, if passed, would spell the death knell to thousands of coin dealers. United Coin Collectors Alliance literature containing hints for effective correspondence in this regard was distributed and thoroughly discussed. Ray Byrne made a special appeal to members to object to the pending measure.

The scheduled talk, "Early American Gold", by Dr. Jim Sloss was accompanied by excellent colored slides of representative pieces. These included Eagles of 1795-1799, one 1855 gold dollar from each of the four mints, and a novel slide showing different varieties of six Eagles, side by side. Although many of the illustrated coins were on display, the slides demonstrated the completeness with which a numismatic talk can be presented on material retained in a bank vault.

PITTSBURGH 35, PA.~~

President's Report for Year, 1964-65

With this, ~~my~~ final report to our Society as president for the past two years, I wish to let you all know that it has been a distinct privilege and honor to have served you in this capacity. With full knowledge that your elected officers which preceeded me and to those who will now follow have and will continue to enhance the fine name of our Society and will, I am confident promote the advancement of numismatics as has been the long custom of our group.

The report of the Secretary has shown you that some advancements and improvements have been ~~realized~~ during the past term. Most notable of course, are the meeting quarters which I am sure you will agree are ample for our needs with exceptional lighting facilities to add to the enjoyment of our hobby. For this we must give a warm thanks to our old and true friend, William W. Woodside. It seems that we have been continually blessed with exceptional talent in the most important task of Secretary-Treasurer and I would be remiss if I did not ~~take~~ this opportunity to publicly thank our present ~~secretary~~ for all his past work and wish him continued good wishes for the year ahead. We have seen the inauguration of "taped minutes with background music" ~~as~~ becoming an integral part (and I might add--a very enjoyable portion) of our meetings.

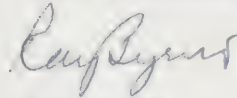

During the past term ^{you} ~~we~~ have had the 1928 medals of our Society restruck and made available to the membership. Most important however has been the continuing fine performance of our members with most excellent papers being presented and in most cases published in the ~~outstanding~~ trade journals. Two outstanding speakers have graced our table at the annual dinner affairs. We have also been honored with the visits of notables in the field from far off places.

President's Report, 1964-65

More important however has been the comradeship of the group ~~At~~ *our MEETINGS AND* 'get-togethers' following the meetings. These have proved most heart warming and vainly enough, most enlightening, numismatically speaking. All in all, the ^{the} esprit de corps is, I feel on the "UP". With ~~a~~ continued and energetic effort ~~of~~ your new officers we can continue to upgrade the Society both at home and abroad. Let us hope to see the time when we will all be vieing for the presentation of illuminated talks. Reports coming back already indicate that your Society is one of the most revered groups of its kind in America today. Let's keep it that way.

To the gentlemen who follow in the footsteps of ~~the~~ Clapp^s, Marlier, Eastwood, Locker, Woodside, Coatsworth, Porter, Scaife, or Foley, TAKE NOTE: Your exceptional qualities and leadership have been duly noted here tonight. KEEP the TRUST of Integrity and Honor that has been our lot. We are all counting on you and will- give you every assistance possible.

Most sincerely,

Ray Byrne

Secretary's Annual Report

June 1, 1965

As provided for by the Constitution and By-Laws of the Western Pennsylvania Numismatic Society, the duties of your Secretary are multifarious and multitudinous.

Article II, paragraph 3. requires the following of the Secretary:

- a. "----shall keep correct minutes of all meetings of the Society----."
- The meetings during the past year have been tape recorded in toto. The minutes have been accurately and completely transcribed from these recordings. The programs from each meeting have been trans-recorded on one tape, indexed, and are available for future use. The minutes of the previous meeting have been presented by tape at each meeting, exactly as transcribed.

It should be noted that the By-Laws require that the minutes be kept "in books provided for the purpose". They have not been so kept, as no books were provided. Typewritten, dated and signed minutes entitled "Secretary's Report" do exist however.

- b. "----he shall keep the accounts between the Society and its members----".
- The accounting of all Society monies is completely covered in the monthly Treasurer's Reports. Appended hereto is a list of all Society members showing the status of their dues.

At the beginning of the year there were 22 delinquent members with a total delinquency of \$28.00. At present there is only one member delinquent and he has been so for three years. In accordance with the By-Laws, it will be recommended at tonight's meeting that he be suspended.

For information, the 1965-66 dues become due and payable tonight. Nineteen members are involved and will be so advised under "New Business".

- c. "----he shall receive all money due the Society, and shall pay it over to the Treasurer taking his receipt for the same----". As your Secretary is also your Treasurer, this additional bookkeeping was ignored.
- d. "----shall notify all members of the time and place of meetings----".
- Six hundred and eleven meeting notice postcards were hand addressed and mailed with appropriate notations concerning delinquent dues, program changes and election of new members.

- e. "-----shall attest the President's approval of expenditures ordered by the Society". This formality has been complied with in that all disbursements have been by check, all checks being signed by both the President and the Secretary-Treasurer.

So much for the statutory duties of the office. The By-Laws do not recognize that correspondence may be necessary to the proper functioning of the Society. In lieu of such designation of duties the function has evolved on the Secretary. During the past year there have been 106 pieces of outgoing correspondence prepared and mailed and 201 pieces of incoming correspondence have been received and acted upon.

Now for some statistics: During the past year there were thirteen meetings, eleven regular, the Social and the Dinner Meeting. Total attendance has been 224 plus 88 guests. Total attendance at regular meetings has been 181 plus 34 guests, or an average of 16.5 members and 3 guests per meeting. September was the best attended meeting with 26 and July the worst with 13. Attendance was not recorded by name at the September meeting so the following statistics are in error by the unknowns of that meeting. Of the ten recorded regular meetings Messers. Knabenschuh and Otterman attended all, Messers. Foley, Hunter and Sloss all but one, and Messers. Byrne, Dodrill and Woodside all but two. Messers. Byrne, Foley, Goddy, Knabenschuh and Nelson exhibited at every meeting which they attended. Twenty-five of the 57 members on the rolls, or 44%, did not attend any of the regular meetings.

Your Secretary spent 82-3/4 hours during the past year preparing for, and reporting on Society business.

Three new members were elected during the year. Seven members presented programs during the year with Mr. Byrne presenting two. Six members were unable to present their scheduled talks. Nine ANA Educational Awards were presented by the Society during the year.

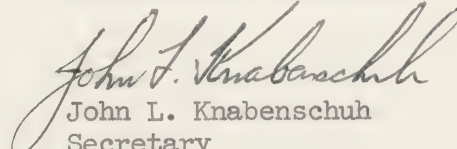

In this regard, it should be noted that there were 116 items of publicity about the WPNS or its members during the past year. I should like to point out at this time that the By-Laws, Article III, paragraph 1 require that a standing Publicity Committee be appointed the duties of which, in part, are that they "-----shall, wherever possible, bring to public attention the activities of the Society-----". As no such committee has been appointed in recent years, this function has wrongly been assumed by the Secretary. It is therefore requested that the newly elected President appoint an active Publicity Committee to discharge this and their other assigned duties as your Secretary is unable to continue to fulfill this assumed task.

While on the subject of publicity, I would like to single out our retiring President Mr. Raymond A. Byrne for particular mention. It is largely due to his activities during the past year that our publicity figure stands so high. Among his more notable accomplishments are the following: Won the Heath Literary Award for 1964, won the Henry Christensen Award for the best Latin American Exhibit at the 1964 ANA Convension, wrote and had published numerous articles, two of which were printed in three issues of WORLD COINS and one in the Carnegie Magazine, appointed to the Heath Literary Awards Committee for 1965, and presently leading the field by a large margin as a candidate for the 1965 ANA Board of Governors. Wihtout a doubt Ray has been the WPNS "Numismatist of the Year".

One last set of statistics. Article I, paragraph 1 of the By-Laws specify that "The regular meeting shall be held the first Tuesday of each month at 7:30 P.M." The earliest a meeting was started during the past year was 8:00 P.M., the latest 8:40. The average starting time was 8:21 P.M.

As pointed out above, there are numerous divergences from the By-Laws, some completely ignored, some slightly bent. For this reason it is recommended that the newly elected President appoint a Committee to study, revise, and propose a new set of By-Laws which are updated to reflect the present conduct of the Society's business.

Respectfully submitted

Secretary's Report

January 5, 1965

The January 5, 1965 regular meeting of the Western Pennsylvania Numismatic Society was held at the Carnegie Museum commencing at 8:26 p.m. President Raymond A. Byrne presided. There were 17 members and 2 invited guests present.

The minutes of the previous meeting were presented by tape and were approved as read. The Treasurer's report was approved as was the last months postage expense of \$.80.

Mr. Woodi~~f~~de stated that the estimate of \$9.00 per year set for binding the Numismatists appeared to be high. He agreed to investigate this and report at the next meeting.

A considerable amount of discussion ensued concerning the procedures by which prospective members are to be presented to the Society for membership. As a result of a misunderstanding of statements made at the December 1, 1964 meeting, President Byrne suggested that the "first reading" of the membership applications of Messrs. Schenck and Kelly be struck from the December 1, 1964 minutes. The foregoing was met with full approval of the membership.

The Constitution and By-Laws sections concerning membership were read by the Secretary and after additional discussion the following procedures were stated as being within the letter and intent of the Constitution and By-Laws:

1. Upon receipt of an application for membership, the Membership Committee will advise the membership of the Society that such application has been received.
2. Any member having comments to offer concerning the applicant shall communicate these comments with the Membership Committee only, without delay.
3. The Membership Committee will then investigate the applicant and when the Committee is satisfied that such applicant should be voted upon, will advise the Secretary at least 10 days prior to the regular meeting at which the vote is to be held.
4. The Secretary will then advise the membership that such applicant will be voted on at the next regular meeting. Such notification will be via the monthly meeting notice postcard.

5. The applicant shall not be present at the meeting at which his application is voted on. The Secretary will advise the applicant of the Society's action on his application after it has been voted on.

Mr. Porter, Chairman of the Membership Committee advised the membership that applications for membership had been received from Messrs. John P. Kelley and Edmund J. Schenck, Jr. Their applications and proposing letters were read.

Under the subject of correspondence, the Secretary reported that there had been 44 incoming and 73 outgoing letters, 334 meeting notices, 83 pieces of miscellaneous correspondence and 57 items of publicity since the June meeting. A letter had been sent to Corresponding Member R. M. Greig of Tranmere, S. Australia thanking him for his gift of Australian coins.

Under deferred business President Byrne again called for contributions to the Society's library. Mr. Knabenschuh donated the booklet "United States Territorial Coinage for the Philippine Islands" to the Society.

The subject of a donation to the ANA National Home and Headquarters was again discussed. Mr. Woodside made a motion, seconded by Mr. Foley that the Society donate \$25.00 to this worthy effort. The motion was passed by unanimous vote. Mailing of the check was to be withheld until the next regular meeting to permit members to add to the donation if they so desire.

President Byrne was presented with an ANA Educational Award for his presentation on the "Coins of Haiti and St. Dominique" at the December meeting.

Mr. Woodside advised the Society that former member B. G. Stoneking had passed away.

Program Chairman, Dr. Sloss introduced President Byrne as the speaker for the evening in lieu of Mr. Dodrill who had suffered a death in his family today. Mr. Byrne presented a paper entitled "The Keeling-Cocos Islands Ivory Tokens". This most interesting paper on an unusual media of exchange has been accepted for publication in "World Coins" and will appear in print shortly.

Upon completion of the program, the members described their individual exhibits (which are enumerated in the Meeting Report).

Donations in the amount of \$1.05 were received as was \$16.00 from the sale of the 1964 Australian coins.

The meeting was adjourned at 9:42 p.m.

Under new business, Mr. Otterman asked that any member who would be willing to speak to an Explorer Post of the Boy Scouts on some numismatic subject, to please see him.

There was a considerable amount of discussion concerning the many reproductions, copies and forgeries that are presently current. At the request of Dr. Sloss, Mr. Woodside agreed to investigate what action might be taken to initiate action on sponsoring a law prohibiting the reproduction of works of art.

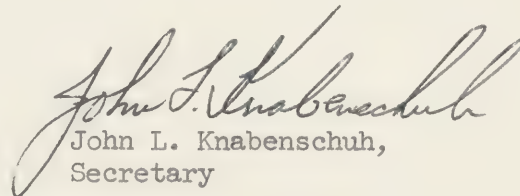

Mr. John A. Nelson was presented with an ANA Educational Award for his presentation on "Numismatic Equestrians" at the October meeting.

Some recent coin robberies were described by members having personal knowledge of the after-the-fact information. The discussion was summed up by the oft stated admonishment to keep valuable coins in the bank.

At the completion of the business meeting, Mr. William Hunter presented a most interesting program on the "Coins of the Republics of Austria". Mr. Hunter's talk was illustrated by a display of the coins discussed and a pamphlet which he had prepared which contained mintage statistics, coinage facts and enlarged illustrations of the coins.

At the completion of the program Messrs. Dodrill, Hunter, Mooney, Oschman, Otterman, Sloss, Nelson and Knabenschuh described their individual displays.

The meeting was adjourned at 9:50 p.m.

The Western Pennsylvania Numismatic Society met at the Carnegie Museum, Tuesday, October 6, 1964 at 8:30 p.m. President R. A. Byrne presided. There were 16 members and 4 guests present.

The minutes of the previous meeting, taken by Secretaries Pro Tem J. A. Nelson and E. L. Oschman, were read, three corrections were made, and the minutes approved.

The Treasurers Report was read and approved.

At the request of the President, it was inserted in the minutes, that the Secretary, commencing tonight, was tape recording the meetings of the Society in order to facilitate preparation of accurate minutes.

Mr. Robert S. Porter, Jr., Chairman of the Membership Committee, presented the second reading of the application for membership of Mr. Glenn E. Otterman, Sr. Mr. Otterman was unanimously elected and welcomed to membership in the Society.

President Byrne displayed the ANA Fifty Year Membership Award presented to the Society at the 1964 ANA Convention in Cleveland. The award was placed in the Society's cabinet for safe keeping by the Curator.

Mr. Foley requested that an effort be made to obtain the photographs of the presentation of the ANA Award. President Byrne volunteered to write to the various publications for these photographs.

President Byrne announced that the bound volumes of the Numismatist for the years 1900, 1901, 1906 and 1947 were missing from the Society's cabinet and he requested that all members attempt to locate these volumes and see to their safe return by the next meeting.

Under the subject of Correspondence, the Secretary reported receipt of two ANA Educational Awards, a donation to the Society's Special Fund, and the Carnegie Institute Society membership for the coming year. It was further noted that since the June meeting there have been 34 outgoing and 20 incoming letters, 168 meeting notices, and 50 pieces of miscellaneous correspondence.

The Secretary advised the Society that the October Numismatist contained eight references to the WPNS or its members and that there have been 29 such references in periodicals since the June meeting.

Mr. William W. Woodside was presented with an ANA Educational Award for his presentation on "The Carnegie Museum Collection" at the September meeting.

Mr. Robert S. Porter, Jr. advised the Society that President Byrne had "thrown his hat in the ring" and was running for the Board of Governors of the American Numismatic Association. Mr. Porter moved that the Society endorse and nominate President Byrne for this position. After considerable discussion by the membership on how best to consummate the election of Mr. Byrne to the ANA Board, Vice-President Sloss assigned this task to the Membership Committee for action. Nomination of Mr. Byrne by the Society for the ANA Board was unanimously approved by the membership. The Chairman of the Membership Committee was directed to coordinate nomination of Mr. Byrne by area ANA clubs and to provide any necessary letters to be sent to other clubs or the ANA. Mr. Byrne will provide a biographical sketch for the use of the Committee and insisted that all costs for this task be borne by himself.

Dr. Sloss, Chairman of the Program Committee, reported that the Annual Dinner scheduled to be held on November 14 at Stouffer's Restaurant on Wood Street will be at 6:30 p.m. Cost will be \$5.00 per person. Mr. Henry Christensen, the noted authority on Latin American coinage will be the guest speaker and there will be displays, a bourse and an auction. Dr. Sloss requested that the membership provide additional auction material for the Dinner by the next meeting. The Secretary was directed to have printed and mailed, suitable announcement and reply post cards for the Dinner. After some discussion, it was decided that Mr. Christensen be presented with a suitable memento of the occasion. Dr. Sloss volunteered to take care of this matter.

President Byrne advised that there was an error in the annual program and that the subject of the program for the November meeting was "Coins of the Republics of Austria".

Continuing under the subject of new business, the Secretary turned over to the Society for safekeeping by the Curator, the following items:

1. Charlotte Mint Medal received from Coin World.
2. September and October "Numismatists".
3. All Secretary's records up to but not including the 6/2/64 meeting received by the present Secretary from the previous Secretary.
4. All Treasurer's records, including all correspondence and transactions concerning the recent restriking of the Society's medallion, up to but not including the 6/2/64 meeting received by the present Treasurer from the previous Treasurer.

The Treasurer made a motion that the present three funds, namely the Medallion Fund, the Special Fund, and The Regular Fund be combined and that henceforth there be only one accounting for the funds of the Society. The motion was seconded and passed unanimously.

Upon completion of the extended business session, Dr. Sloss introduced Mr. John A. Nelson who delivered an extremely interesting and well researched paper on "Numismatic Equestrians". Mr. Nelson's talk was well illustrated with color slides of the principal coins he described and in addition he had arranged a comprehensive illustrated display featuring the coins mentioned in the talk as well as additional pieces in this category.

Due to the extended business session, there was not sufficient time for the members to describe their individual displays.

The meeting was adjourned at 9:58 p.m.

Secretary's Report - September 1964

The regular monthly meeting was called to order at 8:00 P.M. in the Children's Lunch Room of the Carnegie Museum, Pres. R.A. Byrne presiding. There were 20 members and 6 guests from the McKeesport, Pa. Coin Club present.

The minutes and Treasurer's reports for July 1964 and Treasurer's report for August 1964 were read by J.A. Nelson for the Secretary/Treasurer, who was out of town. The reports were approved as read (Aug. 31 balance, \$259.87). A special report of the August Social involving a talk on Steuben Glass manufacture given by Miss Cisneros of Kaufman's department store was read by the Secretary Protem, and approved.

Reimbursement to the Treasurer for July and August postage expense and the future expense of ~~binding of the Society's papers by the Carnegie Museum~~ were approved, (R.J. Hudson/R. Foley). It was moved and seconded that the Mellon Bank be officially designated as repository for the Society's treasury, and that the bank be notified to this effect pursuant to bank regulations. The motion was carried (R. Foley, C.O. Stockdale).

Membership Chairman R.S. Porter, Jr. conducted the second reading of the name of John A. Nelson for membership, and the candidate was subsequently unanimously accepted as a Member of the Society. *Mr. Glenn E. Ottensmeyer, Jr application for membership was read for the first time,*

The President called for comments by members on the recent ANA convention held at Cleveland, Ohio:

R.S. Porter, Jr. indicated that he was caught short of time for the visiting he had hoped to make and found the Bourse to be the most "alive" one he had ever participated in. Several quarter dollars were presented to him for sale, but careful examination revealed them to have been upgraded by a surface glass powder blasting process. This treatment renders an unnatural sheen to the surface, readily detectable to the more advanced collector, but apparently an XF grade to the unwary beginning collector.

Bill Ross echoed Porter's comment on lack of visiting time, and emphasized the growing interest displayed in the field of world coins.

R. Byrne was impressed with the large number (over 900) of exhibit cases and considered the convention to be the largest and best-managed yet.

R. Foley congratulated the President upon his winning of the Henry Christensen award for the best ~~West Indies~~ numismatic display at the ANA convention, and R. Byrnes and J. Burns for receiving the Heath Literary Award.

Dr. Sloss discussed and displayed \$20. gold pieces that had either been improved in appearance by some means, or could be counterfeit. Mass spectroscopy checks currently under investigation may show these to be not altered, but actual counterfeit pieces.

The secretary read congratulatory letters from COIN WORLD and NUMISMATIC SCRAPBOOK editors lauding the Society for its generation of papers of top quality numismatic value, and best wishes to the Secretary in his new position.

It was reported by W. Woodside that more spacious meeting quarters will be made available to the Society commencing with the October meeting. A floor plan showing the location of the meeting area is to be mailed to the membership prior to the next meeting.

W. Woodside presented as the program a thoroughly interesting history of the Carnegie Museum collection, with the growth traced from the opening of the building in 1895 until the present time. The various periods of stagnation and progress over the years under different administration policies were highlighted, indicating that the course of numismatic growth was indeed a difficult one, at times.

Following the adjournment of the meeting at 9:15 p.m. a viewing of the collection on special display to the Society was held.

RESPECTFULLY SUBMITTED,

E. L. Oschman and J. A. Nelson,

*(see other side)

Due to the renovation of the Carnegie Museum library, the September meeting will be held in the Children's Lunch Room of the Museum.

The planned program for the evening was not presented due to the fact that both of the speakers were unavoidably absent. In lieu of the scheduled program Mr. Knabenschuh read a paper provided by Mr. Foley from the Australian Numismatic Journal which related the impressions of an Australian collector while in this country. The paper indicated that the public image of the U.S. collector and dealer, at least as seen by this gentleman, leaves a great deal to be desired.

After the reading of the paper, the individual members discussed their exhibits.

The meeting was adjourned at 9:45 p.m.

MEETING JAN. 7, 1964

The Western Pennsylvania Numismatic Society met at the Carnegie Museum Library, Tuesday, Jan. 7, 1964, at 8:00 p.m. R.A. Byrne presided. Present were 20 members and 5 guests. The minutes were approved as read. The Treasurer's report was discussed with respect to the three funds established. (Medallion Fund, Special Fund, and Regular Funds). The Treasurer's report was approved as read.

The Membership Committee Chairman, Mr. Porter, proceeded with a second reading of the application of Mr. Knabenschuh. A secret ballot was then conducted and Mr. Knabenschuh was unanimously admitted to membership.

The Coin Information Committee Chairman, Dr. Hudson, reported on current publications, including a copy of the just released World Coin magazine. A copy of this publication was made available for review.

The Secretary reported on a large file of routine correspondence, copies of which are filed with the minutes. Under the heading of 'not being routine' was a letter received from the Editor of World Coins, requesting names and addresses of members who might be interested in the foreign material covered by this publication. The Secretary had withheld action pending the desire of the Society.

It was moved, seconded and unanimously voted that the Society would not accede to this request, but that any individual members who wished, might notify the Secretary who would pass them on in his answer to the Editor of World Coins.

Under deferred business the status of the Medallion program was reported on by the Secretary. A copy of the terms and specifications of the order was read and a report made that the Medallions, as ordered, should be in our hands by the next meeting. A discussion ensued as to the advisability of increasing the order in view of the success of the program so far and the complete subscription of the silver and gold medals already ordered. This discussion did not reach the point of a motion, but it was the consensus of opinion that the order should remain closed in view of the possibility of up-setting the presently favorable terms arranged with the Medalist.

Mr. Byrne announced that 5 pieces of publicity concerning the WPNS had been received since the last meeting - bringing the total articles to 52 since June 1963.

Under new business, Mr. DeVos moved that the Society bind the large number of issues of the Numismatist which have accumulated. The motion was seconded and carried and the Curator, Mr. Burns, was asked to proceed with such a program. Another item of new business was an announcement by Ray Byrne that his coins, stolen sometime ago, have been returned to him. Because of the circumstances, he was not at liberty at this time to make any other statements concerning the matter.

Dr. Sloss introduced Mr. Mooney and his subject for the evening, "A New Look At Indian Cents".

After the talk, Mr. Byrne exhibited a coin camera which he had procured, and offered to photograph any coins the members cared to present.

Bill Hunter exhibited the book "Svenska Provinsmynt" by Tage Brandt. Duane Adams explained his 1801 one-cent piece in about uncirculated condition which had been struck from rusty dies.

Jack Burns exhibited 4 miniature famous Military Medals from France, England, Belgium and Italy. Bob Porter exhibited 9 Early American cents, between 1798 and 1822.

Dr. Hudson explained 8 trial pieces of foreign coins in metal other than the official metal in which they were struck. Glenn Mooney exhibited 135 die varieties of Indian cents, 1859 through 1892, each was described in detail. He also showed a Jasper-Ware, Tri-Color, 4" plaque of Painted Horse, Chief of the Ogala Sioux.

The meeting adjourned at approximately 10:00 p.m.

WESTERN PENNSYLVANIA NUMISMATIC SOCIETY

MEETING NOV. 5, 1963

The Western Pennsylvania Numismatic Society met at the Carnegie Museum Library, Tuesday, November 5, 1963 at 8:00 p.m. R.A. Byrne presided. Present were 14 members and 5 guests.

The minutes of the previous meeting were approved as read.

Mr. Woodside at this point reviewed the Museum space situation in the light of Dr. Sloss' comments of the previous month and summarized by stating that the Director is quite willing to give us space when it is available. Insofar as cases are concerned, he felt that the Museum would insist upon certain requirements and that funds would be welcome. He felt that a fund would be fine, but recommended that it not be earmarked for the Section of Coins.

The Treasurer's report was a dismal one. Invoices for authorized work exceeded the Treasury funds. A review of the situation and an investigation, indicated one of two courses of action. The first, that of raising dues was discussed and did not reach the point of a motion because it was felt that the tradition of ^{over} 80 years should not be changed. The second solution was in the form of a motion by Dr. Sloss and seconded by Mr. Kiefer, that a special fund be established for special projects authorized only by specific authority of the Society. Such fund to be activated by donations, small auctions and perhaps in other ways. The motion was carried unanimously.

The Society then authorized the payment of our printing and postage bills.

CONDITION UNDER WHICH
MEDALLIC ARTS WOULD
RELEASE DIES FOR
SOCIETY MEDALLION.

The Membership Committee, represented by Bob Porter, pointed out that 3 recommendations, letters, and money were received. The letters were read for the first time.

The Coin Information Committee, Dr. Hudson, commented on the new publications, notices of which are attached to these minutes.

The Program Committee reported that the Annual Program has been developed and printed. Copies were distributed to members. Dr. Sloss also reported on the progress of the plans for the Annual Banquet, and requested coins for the Auction, "give aways", and a listing of those who plan to attend. In connection therewith, the Secretary announced that Mr. Millsop, Pres. of the Wierton Steel Corp., had graciously responded to our request by furnishing 75 steel key rings.

The Special Memento Committee, made up of Bob Hudson, Phil Williams, Ithamar Lando and Glenn Mooney, reported on correspondence and telephone calls with various executives of the Medalllic Art Company of New York, with respect to the dies of the Society's Commemorative Medallion. In view of the fact that the original correspondence in 1928 indicates that the terms and the conditions provided for Medalllic Art ownership, it appeared impossible to force the issue. However, Mr. Bill Louth, Pres. of Medalllic Art, advised Mr. Mooney that he would release the dies if positive assurance were given that no re-strikes would be made. In view of the impass, Mr. Mooney constructed a plack containing obverse and reverse cast copy of the Medallion for presentation to our speaker at the banquet, if it were the desire of the Society to do so. A description sheet accompanied the plack. The consensus of the group seemed to be that they were appropriate. They were turned over to the Program Committee, Dr. Sloss.

Eight pieces of correspondence were reported to the Society, one of which was a letter from a suspended member, Mr. R.A. Lloyd, requesting reinstatement. It was moved, seconded and carried that he be so reinstated and the Secretary was instructed to inform him. His check for \$5.00 was added to the Treasury. Mr. Byrne announced that Mr. Peters had been reported sick and in the hospital and the Secretary was instructed to write him a "speedy recovery" letter. Mr. Byrne also reported that 37 pieces of publicity concerning the Western Pennsylvania Numismatic Society and its members has been received since the June meeting.

There being no ^{deferred} different or new business, Dr. Sloss introduced Mr. Woodside and his subject for the evening - Ancient British Coins, a copy ~~of which~~ is attached to these minutes.

Exhibits of the evening were devoted primarily to Coins of Great Britain.

Dr. Sloss exhibited hammered and milled silver pennies, early farthings and early commercial farthings of Great Britain.

Phil Williams exhibited gold coins of Britain from 1798. Various types and Rulers - to date, and British proof sets and coins.

Bill Woodside showed 14 ancient British coins in gold, silver, bronze and tin, in illustrating his talk.

Harry Bartley exhibited a parking meter token from the Hotel Bouives, Jandvoort, Holland. Also a New Castle Merchant's token exchangeable at the rate of 5 for 1 meter tokens. Also a Medallion Commemorating the Coronation of Edward VII and Alexandra Lithgon Celebration in 1902.

Mr. William E. Courtney, a visitor, showed an 1859 transitional pattern Indian cent, an uncirculated 1823 restruck cent, an 1863 pattern 2 cent piece, an 1854 cent pattern and an uncirculated round edged 1904 Indian cent.

Duane Adams exhibited a copy of Albert Stockvis' book "Standard Coin and Metal Catalogue of the World", dated 1945.

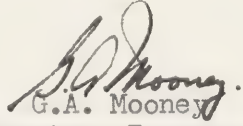

Bob Hudson exhibited an 1863 U.S. Indian cent, counterstamped "Hacienda F.Brene", also a two bit Spanish Real, counterstamped Reuch Bien. Also shown was a Brazilian 80 Reis piece, counterstamped U.S. 1832, English half-penny, counterstamped U.S. 1804, one-half dollar, obverse and reverse, and obverse side of dime. Also, a Guano Loading Company token.

Ed Oschman discussed the exhibit of 3 Western Pennsylvania Numismatic Society medals and an advertising cover cancelled Dec. 8, 1880, showing the Pittsburgh Exposition Building in the same view as that on the Western Pennsylvania Numismatic Society medals.

Ray Byrne exhibited English proof silver, copper and gilt of 1797 to 1806.

Bob Porter showed a complete set of King Edward VIII, Colonial Coins, and a set of Egyptian pieces depicting the Sphinx on the obverses.

The meeting was adjourned at approximately 9:55 p.m.

WESTERN PENNSYLVANIA NUMISMATIC SOCIETY

MEETING OCTOBER 1, 1963

The Western Pennsylvania Numismatic Society met at the Carnegie Museum Library, Tuesday, Oct. 1, 1963, at 8:15 p.m. Raymond A. Byrne presided. Present were 15 members and 2 guests.

The minutes of the previous meeting and the Treasurer's report were approved as read. In answer to the Treasurer's inquiry it was moved, seconded and ordered that the statement of Annual Associate Membership renewal in the Carnegie Institute for the year 1963-1964, amounting to \$12.50, be paid.

Dr. Sloss, although not a member of the membership committee, reported that 3 potential members were being considered for sponsorship and that recommendation letters were now being prepared.

Dr. Hudson reported for the Coin Information Committee a list of new publications covering military currency, English & Mexican coins, odd and curious pieces, rates of exchange of foreign money, investment, and German tokens. The complete list is filed with minutes of this meeting.

Reporting for the Program Committee, Dr. Sloss confirmed the fact that Mr. John J. Pittman would be the speaker at the annual banquet to be held Saturday, November 16th at Stouffers Restaurant, Wood Street, downtown Pittsburgh, at 6:00 p.m. The charge, including everything, would be \$5.00 per person. Dr. Sloss also reported that the annual program was being formulated and would be sent to the Secretary within a few days.

The Secretary reported only routine correspondence, copies of which are filed with the minutes. There were no items of deferred

FIRST MENTION OF
DIES (SOCIETY MEDALLION)

business.

Under new business a number of items were brought up. Dr. Sloss suggested that a honorarium, reimbursement, or memento, be planned for the banquet speaker. Subsequent discussion developed the feeling of those present that no honorarium, reimbursement, or compensation should be made but that a memento for this and perhaps other worthy persons should be considered. It was moved, seconded and ordered that a committee should be formed to investigate the matter. The President appointed Dr. Hudson, Phil Williams, Ithamar Landau and the Secretary, to this committee. During the discussion it was pointed out that the Curator had been asked to check on the location, condition and availability of the dyes for the Society medallion. This matter is now to be pursued by the committee.

The President pointed out that 8 pieces of publicity regarding the Society and its members had been received since the last regular meeting. The total number of articles in print from June 1963 to date is 25.

Mr. Bartley announced that the Pittsburgh District Token Collector's Club would meet on Sunday afternoon, October 20th at 2:00 p.m., in Room 206 of the downtown YMCA, at Third & Wood Street.

In connection with the plans for the annual banquet, the President pointed out that gifts, novelties and favors for 50 to 60 people were needed and requested members to notify Dr. Sloss of any pieces they might be able to provide.

In response to this request, Gordon Dodrill advised that Mr. Thomas E. Millsop, President of the Wierton Steel Corporation at Wierton, West Virginia, would provide 75 key rings, if requested.

Another item of new business was a suggestion by Dr. Sloss that a fund, separate from operating money, be established for the purpose of assisting the Museum in the procurement of specimens, exhibit cases and similar items, also in the matter of procuring suitable space for the exhibition of Numismatic material. He proposed that such a fund be formed from the proceeds of an auction or auctions of material donated by members. He pointed out the need for the preparation of a write-up on a short-range and long-range basis, covering a period of years. As the discussion progressed, the proposal was changed to exclude numismatic items and to include the coverage of such other special events as the striking of medallions and mementoes to worthy individuals. As far as the Museum was concerned, the matter would be confined to the housing and display of numismatic material. Mr. Kiefer made a number of comments as to the difficulties of the past in this regard. Mr. Foley suggested tabling the matter for the present and it was the consensus of those present that additional thought and consideration be given the matter in view of the absence of the Society Curator, Jack Burns and the Museum Curator, Wm. Woodside.

At the request of the members present, Ray Byrne reconstructed the events surrounding the robbery of a portion of his collection on Sunday, Sept. 29th. He commented upon the desirability of immediate action with respect to contacting dealers who have access to one or more teletype systems, if, and when, any other member had such an unfortunate situation.

Messrs. Landau and Foley, in view of the timeliness of the matter, made an excellent review of coin insurance policies, particularly explaining the details of the "coin floater".

In view of the absence of the scheduled speaker, Jack Burns, Mr.

Foley gave Mr. Burns' presentation which had been provided him. It covered the background of the preparation of his work on "The Coinage of Panama", copies of which were provided for each member. Accompanying the presentation was an exhibit of Mr. Burns' collection which includes specimens of every issue of Panama.

Following the program, the following exhibits were explained by members:

G. Kiefer exhibited two stainless steel cents of Costa Rica and a set of Nicaraguan coins. Ray Byrne showed coins of Venezuela, Caracas, Santa Marta, Guatemala, Honduras, and Costa Rica. Bob Porter commented on his coins from Cuba, Panama, Costa Rica and the Dutch West Indies.

Phil Williams showed a set of Panamanian coins and a number of items pertaining to the Columbian exposition. These included admission tickets, metallic season pass, medals, so-called dollars, an Isabella quarter, and the Columbian half-dollars in proof.

Dick Foley exhibited a double frame of Civil War medals and encampment badges and 8 uncirculated 1909 Lincoln cents. Mr. Mooney exhibited a number of Panamanian coins. Harry Bartley showed two tokens which were run over by the funeral train of President Harding. One has been counterstamped "8/7/23", the date that the train went through Pittsburgh, Pa. Dr. Sloss presented proof and proof-like dollars of Canada, dated 1949.

Dr. Hudson exhibited 6 anti-slavery medals in white metal and 2 Wedgewood - Sloan medallions. He also showed an 1834 U.S. cent, a 10 cent Liberia 1847 piece (said to be unique), a Dayton, Ohio, transportation token and a silver anti-slavery medal.

The meeting was adjourned at approximately 10:10 p.m.

WESTERN PENNSYLVANIA NUMISMATIC SOCIETY

MEETING OF SEPTEMBER 3, 1963

The Western Pennsylvania Numismatic Society met in the Carnegie Museum Library, Tuesday, Sept. 6, 1963, at 8:00 p.m. Raymond A. Byrne presided. Present were 19 members and 3 guests.

The minutes of the previous meeting were approved as read. The Treasurer's report was supplemented by three special reports; one on the Social Meeting expenditures, one on the financial condition of the Society, and one on the delinquent dues.

With respect to the Social Meeting expenditures, it was the feeling of the Society that individual charges would henceforth be set at a rate which would cover all expenditures. With respect to the financial condition of the Society, it was the feeling that efforts should be made to collect delinquent dues and that miscellaneous contributions would be forthcoming as has been the case in past years. With respect to delinquent members, it was moved by Mr. Kennedy and seconded by Mr. Dixon that members delinquent, according to the Constitution, be suspended as of this date and that the Secretary be instructed to so inform those concerned. This was subsequently accomplished in the cases of Messrs. Cooper, Lloyd, Nelson, Sweaney, Shaffer, Stoneking and Compton.

The Treasurer read a request from the Mellon National Bank & Trust Company for a resolution appointing that bank as the Custodian of the Society's funds. It was moved by Mr. Foley and seconded by Mr. Kennedy that the resolution be adopted. Motion carried.

It was moved, seconded and ordered that the following bills be paid: Genesse Printing Company - \$11.02 for envelopes. G.A. Mooney -

\$8.96 for postage. These bills have since been paid.

The Coin Information Committee Chairman, Dr. Hudson, submitted a list of new publications covering the coinage of Cuba, primitive money, China, Mexico, the Confederancy, Panama and Germany. The complete list is filed with minutes of this meeting.

The Membership Committee's report was omitted.

Nine pieces of routine correspondence were reported to the Society. Mr. Byrne reported that Mr. Marlier had been elected an honorary member of the American Numismatic Association in Denver, and Mr. Foley reported that he had prepared and submitted a write-up on Mr. Marlier to the Numismatist. Mr. Byrne also reported that Mr. DeVos was awarded the silver medal for his 25 years in the ANA and commented that he had also completed 25 years in the Western Pennsylvania Numismatic Society.

Under new business, Mr. Mooney presented copies of the genealogy of the Ceasars, from Julius to Claudius I, and the Herod family tree.

Preceeding his introduction of the speaker for the evening, Dr. Sloss asked the feeling of the Society as to the desirability of having Mr. John Pittman as banquet speaker this year. This suggestion received unanimous support.

The history and background of the Kittaning Medal was the subject of a paper presented by Dr. Hudson. This work was most original in that numismatic literature reveals little about this historic piece other than reports in a few auction catalogs. A copy of Dr. Hudson's paper was obtained and has been forwarded along with cuts of the medal to the Numismatist, Coin World, and Numismatic Scrapbook magazines.

Exhibits of the evening were devoted primarily to numismatic items of Pittsburgh and Western Pennsylvania.

Mr. Mooney exhibited five tradesmens' cards of Pittsburg and Allegany, and ten medals and medallions of Pittsburgh, including the bicentennial and sesquicentennial issues and the Bank of Pittsburgh, the oldest bank of the United States, west of the Allegheny Mountains.

Mr. Byrne exhibited Pittsburgh Civil War Transportation and Merchant Tokens and medals. Mr. Beam showed Civil War centennial medals of Chambersburg, Pennsylvania, including Stuart's Raid, Lee's Invasion and the Burning, (not yet issued). He also exhibited the Jeannette, Pennsylvania, 75th Anniversary Souvenir 50 cent piece, and the 150 years of Peace with Canada Medallion.

Mr. Foley exhibited a token of admission to The Meadows, a Harness Racing Track near Pittsburgh, Pa., a set of bimetallic brass and aluminum tokens of George W. Dudley, Akron, Iowa, in denominations of \$1.00, 50¢, 25¢ 10¢ and 5¢. He also showed an uncirculated roll of Victory Liberty Loan tokens, issued by the United States Treasury Department in 1918, to purchasers of Victory Bonds. It is believed to be the only roll in existence at this time.

Mr. Bartley explained his exhibits of twenty-one Civil War cents, a complete set of tokens issued by the Pittsburgh Railways Company, and twenty-six assorted tokens of Pittsburgh and vicinity. Mr. Porter exhibited miscellaneous tokens, including hard time, Civil War and transportation. Mr. Dodrill showed his set of complete Japanese paper money for the Invasion of the Phillipines, Malaya, Oceania, Sumatra and Burma.

Dr. Hudson illustrated his talk on the Kittanning Medal by exhibiting specimens in silver and copper before the dye broke and copper thereafter. The Medal was awarded to Col. John Armstrong for the destruction of the Indian Village of Kittanning on Sept. 8, 1756.

The meeting was adjourned^{at} approximately 9:40 p.m.

The minutes of the previous meeting were approved as read. The Treasurer's report was postponed pending the report of the Auditing Committee.

The Western Pennsylvania Numismatic Society met at Carnegie Museum Library, Tuesday, May 7, 1963 at 8 P.M. Present were 17 members. Richard Foley presided.

The minutes and the Treasurer's report were read and approved.

Dr. James Sloss informed the members that fake U. S. Gold dollars of the years 1853 and 1868 were on the market. This was discussed by members, Mooney, Byrne and Sloss.

A letter and questionnaire addressed to the society by the International Association of Professional Numismatists, relative to restrikes as well as forgeries of gold coins which have appeared on the market in recent years in different countries, was brought before the members. The theme of the letter ~~is~~ to do something on an international level by the association evoked a great deal of discussion pro and con by most all members of the society. In summary, the majority of members favored action in doing something about restrikes, however, it was the opinion of the majority that the association should clean house on their own level before battling on an international level.

The President appointed a Nominating Committee, consisting of:

Mr. Ray Byrne brought up the question of our society endorsing Mr. P. K. Anderson for President of the American Numismatic Association. A letter which had been forwarded to the Secretary of The Western Pennsylvania Numismatic Society, signed by George Bishop and James Austin, Presidents of the Oklahoma, Kansas Numismatic Association and the Oklahoma City Coin Club was read. This letter is appended to the minutes of the meeting. The question was discussed by various members and decided that since the W.P.N.S. refrained from making political affiliation of this sort in the past, they would continue this policy in the future. This was agreed by the members present.

It was brought to the attention of the society that member Mr. George Marlier, aged 95 years is the oldest member of the W.P. N.S. and in excellent physical health.

James Sloss delivered an excellent talk on "The United States Gold Ring Dollars."

MINUTES OF MEETING OF OCT. 2. 1962

The Western Pennsylvania Numismatic Society met in the Carnegie Museum Library, Tuesday, October 2, 1962 at 8 P.M. Richard Foley presided. Present were 13 members and 4 guests.

The minutes of the previous meeting were read and approved.

The Treasurer reported \$112.00 in the bank.

The president called upon Chairman of the Membership Committee, Jack Kennedy for the second reading of the applications of Mr. Don Adams and Mr. E. P. Aitchison. Mrs. Kennedy was not present therefore the reading was deferred since no other members had the applications in their possession.

Ray Byrne, Program Chairman, brought to the attention of the society that on Saturday, November 17, 1962 at 6 P.M. in Stouffer's Restaurant, Wood Street, Pittsburgh, a dinner will be held. He again requested members of the society to donate any sort of prize for this occasion. This was discussed by members, Phil Williams, Paul Scheetz, and Dick Foley.

Paul Scheetz brought to the attention of the society a recent experience which was brought to his attention by dealer, Dan Brown of Denver, Colorado. A citizen of Pittsburgh by the name of Mr. Moschetti, working under the numismatic name of Eddie's Coin Shop requested Dan Brown to forward him a number of gold coins. Mr. Brown complied with this request, and in return received a check for one gold coin and a box delivered by the postoffice. When he opened the box, the gold coins had been replaced with quarters and nickels. He attempted to contact Eddie's Coin Shop by telephone and after many failures was successful in talking with Mr. Moschetti. Mr. Moschetti informed him that when the box had arrived at Eddie's Coin Shop it had been tampered with implying that the coins had been removed in

transit. Dan Brown notified the Pittsburgh Better Business Bureau which conducted an investigation and made contact with the local postmaster. Eventually the gold coins were returned to Dan Brown with a meager excuse, apparently after certain studies were made by the Post Office Department.

Ray Byrne related a similar call from Stacks of New York City concerning Eddie's Coin Shop. It is the desire of the society to record this information in the minutes and to remind the members to be cautious in dealing with the party mentioned in the minutes.

It was brought to the attention of the members that George Vogeley, Sr. passed away Monday, September 17, 1962. A letter was read by the Secretary which had been forwarded to Mrs. Vogeley extending the society's sympathy.

A letter was read by the Secretary from Reverend Paul McBride Gillis who resides in Detroit, Michigan, extending his best wishes to the W.P.N.S. members. A letter was read from member Dick Yeager apologizing for not being able to attend the current meetings and hoping to attend as soon as business opportunities permit.

It was announced that Gordon ^Dodrill will open a new coin shop in Pittsburgh on November 1, 1962, it will be known as the ^{Pgh.} ~~Penn~~ Coin Company, Inc.

The program of the evening was "A Token Collector's Vacation in Michigan," by Duane Feisel. Duane Feisel's talk related around a number of interesting tokens which he secured while motoring through the state of Michigan. While attending the American Numismatic Society-Canadian Numismatic Society Convention in Detroit, his collection of parking meter tokens was stolen. the members. It was agreed to accept his letter with regret and that the secretary forward a communication citing the feelings of the members telling him that he would always be welcome to attend our meetings and renew his membership if he so desires.

Mr. Harry Bartley brought up the recent article in Coin World regarding the Western Pennsylvania Numismatic Society, citing the garbled news report. Mr. William Woodside's letter to Coin World was brought to the attention of the members and a general discussion concerning museum collections ensued.

Duane Feisel brought to the attention of the members his ad in Coin World and the response of collectors to buffalo nickels. A discussion of the U. S. 10 cent 1942 over 1941 occurred and it is to be noted that an authentic piece has to have a re-engraved four.

"Prior to the enactment of the First Legal Tender Act no official U. S. paper money existed. With the start of the Civil War, metallic money was hoarded and a serious financial situation arose. The intense debate in Congress over the desirability of issuing paper money is a strong reminder of the hazards of this type of currency. Despite many misgivings the Act was passed purely as an emergency measure. Fortunately, all U.S. paper money issued since the First Legal Tender Act became a law is still redeemable in coin and is acceptable through the

world.

The collecting of U. S. paper money can satisfy a wide variety of interests. These include collecting by denomination and type. Different signatures related to different denominations or types are also available. Some collectors find enjoyment in collecting certain combinations of serial numbers and there is a limited interest in plate numbers. Even "mint marks" exist in paper money through the collecting of the 12 different Federal Reserve Bank Notes. Freaks are varied and plentiful.

In addition to the regular U. S. notes, there are other collectable areas. The collecting of Confederate paper money and the broken bank notes is receiving considerable attention. Other possibilities include Prisoner of War currency, commercial script, clearing house checks, and of course, Continental Currency. In fact, there are few coins or tokens that do not have their counterpart in paper."

Exhibits:

The regular monthly meeting of the Western Pennsylvania Numismatic Society was held Tuesday, February 4, 1958 at Carnegie Museum Library. Meeting was called to order at 8:05 P.M. by President Gillis with the following members present: Messrs. Lloyd, Gratz, Goddy, Schoetz, DeVos, Bartley, Feisel, Gaede, Kennedy, Romah and Foley.

Minutes of the previous meeting were approved as read. Treasurer's Report showed a balance on hand of \$27.96.

Secretary's letter of January 17th to Mr. Bradfield, Editor of "The Numismatist" was read. Mr. Bradfield's reply dated February 1, 1958 was also read. Lengthy discussion of these letters followed. Members felt that any increased advertising in "The Numismatist" should pay for more editorial space and that the magazine could be expanded. They also felt that more attention should be devoted to membership news and editorial space and that these should not suffer due to advertising.

The Secretary reported that he turned over to the Curator a letter from the Medallie Art Company dated February 11, 1953 stating that they still had the original dies for the Western Pennsylvania Numismatic Society 50th Anniversary medals.

Mr. Kennedy, Chairman of the Program Committee, advised that the committee had met and discussed the question of joining with the Pittsburgh Numismatic Society as co-host to the Penn Ohio convention next November. Motion was made by Mr. Byrne, seconded by Mr. DeVos, that the Western Pennsylvania Numismatic Society act as co-host with the Pittsburgh Numismatic Society at the Penn Ohio Convention being held November 14, 15 and 16, 1958. Motion carried.

Inasmuch as the applications for membership of Reuben Caplan and David H. Nelson were not in the hands of the Secretary, it was decided to table the second reading until the next meeting.

Mr. Kennedy gave an interesting talk and presented a paper on "Large Cents 1793-1814".

Meeting adjourned at 9:10 P.M.

Letter was read from Dr. Paul McBride Gillis regarding project he has in trying to interest a number of young boys in his church in coin collecting. Several of the members responded with donations of various U. S. and foreign coins.

Dr. Gillis, Chairman of the Membership Committee, read for the first time the application of Joseph G. Meszaros. Some discussion occurred as a result of this reading. Some of the members feel that new members should not be admitted to the Society unless they show more interest in our activities by their attendance at our meetings.

Mr. Hendel, reporting on the Annual Banquet, stated that he did not have his notes present and would give a complete report at the next meeting.

Mr. Hendel, Chairman of the Program Committee, introduced Mr. Meyer Goddy who spoke on the subject "Collecting Coins from Circulation." The regular monthly meeting of the Western Pennsylvania Numismatic Society was held Tuesday, August 14, 1956 in the Colonial Room of Webster Hall Hotel. This was the annual social meeting. There were forty-six members and guests present, many from out of town. Meeting was called to order by President DeVos at 8:00 P.M.

Dr. Gillis reporting for the Membership Committee read for the second time the applications for membership of Messrs. Burns, Feisel and Lando. All were unanimously elected to membership.

Motion was made by Mr. Hendel, seconded by Mr. Porter, that in view of the social meeting, all further business be held over until our regular September meeting. Motion carried. Meeting was adjourned at 8:10 P.M.

Immediately following the regular meeting, the auction began under the supervision of Ray Byrne as Auctioneer assisted by the following committees:

Cashier: Richard T. Foley
Auditor: James Hendel
Chief Clerk: Clark Stockdale
Assistant Clerks: David L. Davis, Duane Feisel, Jack Burns
Chairman of Exhibits: Richard T. Foley
Admission Chairmen: David L. Davis, Robert Lloyd
Guard of Exhibits and Auction Lots: Meyer Goddy, George Romah (police)
Bourse Director: Charles F. Gratz

Quite a few of the items offered were auctioned and there was spirited bidding at times on some of the pieces. The main interest seemed to be in American coins in uncirculated or proof condition and in proof sets. There did not appear to be much interest in commemoratives, U.S. gold or U.S. currency. On final tabulation, it was found that total sales for the evening amounted to \$1,796.60.

A recess was called about half way during the auction at which time refreshments were served to members and guests.

The final phase of the meeting was over around midnight.

TO ALL MEMBERS:

Article I of our By-Laws states that the regular meeting shall be held the first Tuesday of each month.

Recommendations of the Special
Committee on the W.P.N.S. Library

Mr. John L. Knabenschuh
President
Western Pennsylvania Numismatic Society

Dear Mr. President:

On December 1, 1970, you appointed the undersigned as a special committee to review the contents and usage of the W.P.N.S. cabinet and library and to make whatever recommendations seemed appropriate. This letter constitutes those recommendations.

1. It is recommended that the Society retain a cabinet and library as cited in Article I of the original constitution which was adopted on November 21, 1879 and under which the present society was organized in 1910, but that they be redefined and limited as shown below.

2. The cabinet should consist solely of:

- a) The medals of the society (those issued by or for the society and spare copies thereof).
- b) Paraphernalia of the society such as dies, trays, etc.
- c) The library.

3. The library should consist solely of the paper archives of the society and shall consist of:

- a) Minutes of meetings.
- b) Historically-related items such as record books and inventories.
- c) A current inventory file (of both cabinet and library).
- d) Papers and tapes of talks delivered to the society.
- e) Correspondence.
- f) Bulk copies of programs, constitution and bylaws, medal histories, etc.

4. All numismatic material from the cabinet and library, not described in 2 and 3 above should be disposed of as follows:

- a) Permit the Carnegie Museum to acquire as a gift those items which they desire for their collections or library -- no duplicates.
- b) Auction to members the remainder of the items.

Respectfully submitted,

G. A. Mooney

J. O. Sloss

W.P.N.S. LIBRARY

CONSIDERATIONS

1. Constitutionality. The constitution does not define the library except as to purpose (which, in the opinion of some members, has not been attained in many years).

Both majority and minority opinions do define "library" but conflict as to content. Neither recommends the elimination of the library.

Therefore, the issue of constitutionality is believed to be irrelevant and certainly no change is required.

2. Content. See majority opinion attached. The minority report is understood to advocate retaining, adding to, and cataloguing the unrelated material as well as the related material and making it more accessible to the membership. However, no practical method is advanced for accomplishing it. No written minority recommendation has been submitted that we know of. Experience indicates that it will not be done but if it is, little useful purpose will be accomplished.

3. Bylaws. Article II, paragraph 5, first sentence reads: "The Curator shall have charge of all coin, books etc., belonging to the Society, and shall keep a correct catalogue of the same." (underlining added)

In recent years, the library as it is now constituted is believed to have suffered from benign neglect and the "correct catalogue" has either not been maintained or has not been distributed to members partly because of the large volume of unrelated material which is duplicated and is more accessible in private and museum libraries.

THE ISSUE

The issue is whether or not the Society will continue to maintain an inconvenient, disorderly hoard of material which is not being effectively used, is not completely catalogued, and which can consume Society funds for binding -- when it could be converted to cash for worthwhile projects such as forestalling a possible dues increase, speakers expenses or gifts, the Allegheny County Numismatic Items effort, or the forthcoming Society Centennial needs.

MOTION

It is therefore moved that the recommendation of the majority of the Special Library Committee, or a modification of that recommendation, be implemented during the next year and that progress reports be presented at each monthly meeting until it is accomplished.
